I. Introduction

Letter from the Principal

Dear AMS Scholars and Families,

We are excited to start another school year at New Visions Charter High School for Advanced Math and Science (AMS) and I would like to take this opportunity to welcome our class of 2023. At AMS we believe in developing ALL students such that they are deep thinkers, effective communicators, and thoughtful collaborators. We believe these are the necessary skills to be successful in an ever-changing world. The specific language we use at AMS to identify these particular skills are the five habits (see below). At AMS we strive to ensure that the experiences we give our students, both inside and outside the classroom, are designed to support students in developing these five habits.

**Five Habits:** Managing Impulses, Persistence, Listening with Understanding and Empathy, Communicating with Clarity and Precision, and Applying Past Knowledge to New Situations.

We believe that by developing the above dispositions in our students it will ensure that they leave AMS both academically prepared for college or work, and most importantly, with the ability to be a kind/caring human being.

As we prepare to start the 2019-2020 school year, I cannot stress how important it is that we partner together to support each and every one of our students - current and alumni. We know how crucial effective communication will be in terms of establishing important family-school partnership. Because of this, we will be in communication in a variety of ways over the course of the year: yearly calendar, monthly emails, parent workshops, Family School Organization (FSO) meetings, parent-teacher conferences, etc. Please reach out if there are any questions, comments, or concerns regarding AMS communication structures.

It is going to be a great 2019-2020 school year at AMS!

Sincerely,

*Robert Hiller*
Principal
rhiller27@charter.newvisions.org
Mission

New Visions Charter High School for Advanced Math and Science (AMS) endeavors to extend equally to all students, regardless of their previous academic history, the highest quality education in an atmosphere of respect, responsibility and safety.

AMS ensures that students graduate with the skills and content knowledge necessary to succeed in their post-secondary choices by engaging students, teachers and administrators in coherent learning experiences that allow risk-taking, embrace multiple attempts at learning, cultivate students’ imaginative and creative abilities, and celebrate achievement. Through the intensive study of math and science concepts, students will generate research questions, develop the skills necessary to answer those questions, imagine and create products that demonstrate their learning, and defend their knowledge publicly. At AMS, successfully preparing all students for postsecondary success is an organizational responsibility and a civic commitment.

Vision

Our vision is to develop a community that

● thinks critically about the world and themselves within it.
● collaborates in ways that allow them to tackle complex problems.
● believes how we communicate is just as important as what we communicate.
● demonstrates that the 5 habits (managing impulses, persistence, listening with understanding and empathy, communicating with clarity & precision, applying past knowledge to new situations) are ingrained in our daily interactions with all people and tasks.

Philosophy/Values

At AMS, we believe all students have a right to rich educational experiences both in and out of the classroom. With this in mind, we believe that people learn best when engaged in authentic experiences and when they are surrounded by supporting adults. At AMS, students will be asked to leverage the 10 capacities for imaginative learning in each of their experiences in order to make sense of their learning. We will be focusing on the capacity of making connections in the 9th and 10th grade, and on the capacity of creating meaning in 11th and 12th grade. Lastly, we believe that students make sense of learning through collaboration and discussion. Students we will be asked to regularly share and present their thinking at AMS.

II. How to Contact or Visit Us

Address and Phone Number

New Visions Charter High School for Advanced Math and Science
99 Terrace View Avenue, Room 254
Bronx, NY 10463
(718) 817-7683
Visitor Policy

At AMS, we welcome school visitors. All visitors are encouraged to make an appointment (call the Main Office - 718-817-7683) at least 24 hours prior to visiting AMS to ensure that they are able to meet with staff. In order to maintain a safe and secure environment, all visitors show ID and sign as they enter the school building. Visitors must sign in with School Safety, and with the Main Office.

Contacting Your Child During the School Day

If you need to contact your child during the school day in the case of an emergency, please call the Main Office at 718-817-7683. Please only call your child during the school day in case of an emergency since it is extremely important that we do not interrupt instruction. New Visions Charter High Schools strongly believe in using educational technology — these devices can be motivating to students while providing wonderful educational opportunities. However, cell phones must be turned off and stored in the student’s backpack and remain out of sight, except for instructional and educational purposes with the explicit approval of the teacher or staff and during designated non-instructional, after-school, and school-sponsored programs or activities.

### School Closing Policy

AMS will follow the school closing policy of the New York City Department of Education. Our school is closed or has a delayed opening when the New York City public schools are closed or have a delayed opening. Please listen to the information broadcast by any of the following radio stations: WINS (1010 AM), WCBS (880 AM), WLIB (1190 AM), WBL (107.5 FM), WADO (1280 AM), WKDM (1380 AM), WYNE (91.5 FM), WSKQ (97.9 FM), WXLX (620 AM), or watch NY1 or WYNE-TV on television for school closure or delayed school opening information.

You can also find up to date closing information on the school website - [www.newvisions.org/ams](http://www.newvisions.org/ams)

**V. Arrival and Dismissal**

**Arrival Procedure**

All AMS students enter the John F. Kennedy Campus through the 1<sup>st</sup> floor entrance at Tibbett Avenue. It is expected that students arrive between 8:00 a.m. and 8:20 a.m. daily. Once students have swiped their Student ID and have gone through scanning, they must immediately report to the cafeteria or their first period class. Students arriving to school at 8:30 a.m. will be marked late. Additionally, if students would like to receive breakfast, they may arrive between 8:00 a.m. and 8:15 a.m. Please note that families of AMS students must also use the entrance at Tibbett Avenue, present identification, and sign in with School Safety. Once a family member has signed in, a member of the AMS staff will escort the parent/guardian to the Main Office.

**Student Identification Cards**

To ensure the safety of all students at AMS and to prevent trespassers from entering our school, AMS requires all students to carry a Student ID card every day. Each student must carry/wear his or her ID while on campus and is required to present it to any adult staff member upon request. Notify the Main Office immediately of a lost Student ID.

This rule will be strictly enforced as it is in many other schools and workplaces. ID cards are the property of AMS.

1. Student ID cards are distributed to incoming students during the Summer Bridge program
2. All returning students will be issued a photo identification card during the beginning of the school year (if misplaced).
3. These cards are to be carried by the student at all times during the school day while on campus.
4. The Student ID is necessary to enter the building at any time during the day, to enter classes, to check out library materials, to enter the lunch line, to receive physical education equipment, to participate in co-curricular activities, etc.
5. Students without a school ID (lost, stolen, misplaced or forgotten) will receive one warning, and be allowed to enter their OSIS number in lieu of swiping. Upon the second incident, the student will be issued a detention. A third incident will result in detention and a call home.
6. Students will be subject to disciplinary action for placing false information on or defacing their ID cards

Scanning

At AMS we are committed to providing a safe, secure learning environment for all students in our school, therefore students and visitors are asked to go through metal-detecting scanning machines like the kind used to screen airline passengers. These devices identify objects that are never allowed in our building and help us to keep everyone safe in our school.

During the scanning process, bags, backpacks and all metal objects (keys, belts, coins, jewelry, etc.) are put through a scanner. Students and visitors should place all metal objects in their bag/backpack before reaching the scanner to help the line move quickly. Students and visitors who are not properly prepared for scanning or who set off the alarm must be scanned for a second time by a School Safety Agent using a handheld wand to identify the object that set off the alarm. We ask that students and visitors pay attention and follow instructions from all School Safety Agents and be sensitive to other students or guests waiting to be scanned to enter the building.

Daily Dismissal Procedure

The school day ends at 3:14 p.m. on Mondays, Wednesdays, and Thursdays. On Tuesdays and Fridays the school day ends at 4:16 p.m., as we offer office hours and clubs on these days. Any student not participating in an after school club or athletic program is dismissed to go home. Students who participate in after school clubs or athletic programs are to go directly to the assigned room where attendance is taken for those activities.

Permission to Leave School During the Day

If a student must leave during school hours, students must be picked up by a parent or adult authorized on his/her emergency contact card. Students under the age of 18 must provide written consent from a parent or guardian in order to leave the school building early. Students leaving school early is strongly discouraged as it negatively impacts student learning.

Parents must go to the Main Office when picking up a student early from school.

VI. Attendance and Lateness

At a New Visions Charter High School, attending school on time will provide the most beneficial education experience for a student. Below is a description of policies that support our values on attendance and also provide awareness of reporting policies to students and families.

Back to Table of Contents
Absences

Consistent school attendance is critical to academic success. We aim to ensure that each student has consistent and punctual attendance throughout the school year. Daily school attendance has a huge impact on a student’s academic success, and families play a key role in ensuring students get to school every day and understand why their attendance is so important for success in school and in life.

We know some absences cannot be avoided due to health problems or other circumstances. However, we also know that when students miss too much school—excused or unexcused—they can fall behind academically. Your child is less likely to succeed if he or she is chronically absent (meaning missing 20 or more days in a school year).

Excused Absences: Students are absent from school with a valid excuse and parental/guardian approval. Examples of excused absences include:

- Student illness (a doctor’s note is required if a student is absent for more than five days);
- Death in the student’s immediate family;
- Necessity for a student to attend a judicial proceeding;
- Observance of a religious holiday;
- Temporary school closings due to weather, unsafe conditions or other emergencies;
- Medical reasons such as a doctor’s appointment (a doctor’s note is required);
- Failure of NYC to provide transportation where legally responsible; and
- Other emergency circumstances.

If a student will be out of school for any of the reasons listed above, before 10:00 a.m. on the day of absence, a parent/guardian must call the Main Office at (718) 817-7683, press 0, identify themselves and give their child’s name, grade, date(s) of absence, and the reason for the absence. Calls may be placed the night before the absence. Whenever appropriate, a doctor’s note should be provided to be placed in the student’s file. If the office does not receive a call or a note, the absence will be considered unexcused until documentation is provided.

Unexcused Absences (truancy/cuts): Students are absent from school without a valid excuse, with or without parental/guardian approval. Examples of unexcused absences include:

- Oversleeping;
- Doing errands; or
- Cutting class.

Students who miss 26% to 60% of the school day without proof of an excused absence will receive a half-day unexcused absence. Cases of truancy may lead to further investigation by school officials and/or the Administration for Children’s Services.

Religious Holidays
Parents/Guardians must notify the school that the family will be observing a religious holiday before the day of the absence. If we are not notified of a religious holiday beforehand, the day is counted as an unexcused absence.

Pre-Arranged Absences
Pre-arranged absences must be coordinated with the Main Office, and permission must be requested in advance. It is our belief that we can only achieve the best educational outcomes for students when our
students are present in school. For this reason, we hope that families have given careful consideration to alternatives before making this request. Please note it is your student’s responsibility to make arrangements to complete all work for the duration of the absence.

Lateness

Students who arrive after 8:45 a.m. will be required to check-in their phones upon arrival and lose the privilege of having access to their phones during the school day. Phones that are collected will be secured in a safe and should be retrieved at the end of the student’s academic program.

Attendance and Activities

In order for students to participate in activities, students must have at least 90% attendance.

VII. School Culture

Families/Caregivers Supporting the Mission

Parents Supporting the Mission

Parents and families are highly valued members of the AMS school community and play an important role in the success of their children, particularly in high school. Parents and families of AMS students support the mission of the school by making sure that their children:

- are in school and on time every day.
- are scheduled for at least 21 credits each year and that they keep track of their child’s progress in earning these credits. Please review the AMS Four-Year Experience as an additional resource.
- strive to achieve grades of 80 or higher in all of their courses.
- take their required state exams and strive for a grade of 75 or higher in ELA and 80 or higher in math.  

Parents/guardians will also become involved in their child’s education at home by making every effort to:

- Check their child’s agenda book for assignments each day
- Provide a quiet space and time for the student to do homework
- Check the school’s website for announcements and information
- Contact their child’s teachers and maintain regular contact with their child’s advisor and school counselor

Twice a year families attend parent-teacher conferences at AMS. During these conferences, parents/guardians meet with their child’s advisor, who is the primary contact person for their child at school, to have conversations about their student’s academic progress, behavior and attendance, and postsecondary aspirations.

These conferences will take place on the following dates:

1 This is the level of performance required to enter the CUNY College system without taking remedial classes.
Families may also make individual appointments with subject area teachers, elective teachers, the school counselor, the assistant principal or principal during the school year as needed. In addition, we encourage families at AMS to become involved members or leaders of the school’s Family School Organization (FSO).

**Service to the School**

We expect and encourage families to support the mission of the school by being invested thought partners. Families may achieve this by joining the school’s Family School Organization (FSO) Leadership Cabinet which is a volunteer-based group of families who represent and advocate for all students and families. This includes but is not limited to:

- Co-planning, co-facilitating, and attending FSO Leadership Meetings (in-person and/or virtually)
- Enrolling and graduating from the Family Leadership Training Institute (FLTI)
- Assisting with community outreach for school-wide events
- Chaperoning student activities

Family engagement initiatives are run by the associate director of community engagement and alumni relations, who with the principal and the FSO, will create more service opportunities for families.

**Dress Code and Standards**

It is our goal at AMS to prepare all students for college, career, and beyond. To accomplish this, we have put many supports in place for students, including the AMS dress code. We believe that student learning increases with strong values and in a supportive environment. As part of our expectation for excellence on behalf of all students, AMS students are required to be in uniform at all times while at school, including during Physical Education class, unless otherwise instructed by the principal. Failing to be in uniform is a violation of the dress code policy and of the school’s values.

Students at AMS are required to follow the dress code:

- Light blue button-down AMS shirt/blouse/polo (with collar)
- Black slacks or skirt that is knee-length (no slit)
- Black shoes (no sneakers)
- Black belt

To support our students, AMS gives each new student a gift card to purchase one long-sleeve uniform shirt, one short-sleeve uniform shirt and one uniform sweater. A gym uniform is also required which can be purchased, along with any additional uniform items, at Flynn & O’Hara located at 136 Westchester Square in the Bronx, by phone (718) 863-7561, or online at www.flynnohara.com. If purchasing additional AMS uniform items presents a financial hardship for any family, please speak to your child’s school counselor or the associate director of community and alumni engagement.

**Cell Phone and Electronic Devices**

New Visions Charter High Schools strongly believe in using educational technology as these devices can be motivating to students while providing wonderful educational opportunities. This policy ensures that electronic devices are used for educational purposes and are not disruptive to our safe learning environment. Students are permitted to bring the following electronic items to school: 1) cell phones; 2) laptops, tablets, iPads and other similar computing devices; and 3) portable music and entertainment devices.
systems. While these items are allowed, we strongly discourage students from bringing valuable electronic devices, as the school will bear no liability for any loss or damage to these devices.

The use of cell phones, computing devices and portable music and entertainment systems at school is subject to the restrictions below.

- Students who arrive after 8:45 a.m. will be required to check-in their phones upon arrival and lose the privilege of having access to their phones during the school day. Phones that are collected will be secured in a safe and should be retrieved at the end of the student’s academic program. Collecting phones encourages students to get to school early and make it to class on time and limit distractions that students are facing when coming late.
- Cell phones and portable music and entertainment systems must be turned off and stored in the student’s backpack and remain out of sight, except for instructional and educational purposes with the explicit approval of the teacher or staff and during designated non-instructional, after-school, and school-sponsored programs or activities.
- Cell phones and portable music and entertainment systems may not be turned on or used during the administration of any school quiz, test, examination, or administration of state standardized examinations.
- Computing devices may not be turned on or used during the administration of any school quiz, test or examination, except where such use has been explicitly authorized by the school or is contained in an Individualized Education Program or Section 504 Accommodation Plan.
- Cell phones, computing devices, and portable music and entertainment systems may not be turned on or used during school fire drills or other emergency preparedness exercises.
- Cell phones, computing devices, and portable music and entertainment systems may not be used in locker rooms or bathrooms.

**Misuse of Electronic Devices**

Students who use electronic devices in violation of the Code of Conduct, the school’s electronic device policy, or the Acceptable Internet Use and Safety Policy will be subject to discipline in accordance with the interventions and disciplinary responses set forth in the Code of Conduct in this handbook. Such responses may include, but are not limited to:

- Warnings
- Detention
- Confiscation of item being misused (returned at the end of the school day)
- Formal family conference
- Behavioral contract
- Revocation of privilege to bring the item to school

**Gender Expression**

Every student is valued, respected, and deserves a safe learning environment, including transgender and gender-nonconforming students. Discrimination or harassment based on a student’s actual or perceived gender identity or expression will not be tolerated and will result in consequences according to this handbook regarding bullying, discrimination, and harassment. AMS adheres to the following guidelines

- AMS is required to have the legal name of students and their biological gender on record, and must use a student’s legal name on standardized tests (i.e., on transcripts, in ATS, or on Regents exams). In all other cases however, a student’s preferred name, preferred pronoun, and
gender identity will be used (i.e., by teachers, on classroom documents, etc.). Student privacy will always be respected and school personnel will not share information that may reveal a student’s transgender status. Only school employees with a legitimate need will have access to a student’s records.

- Transgender and gender-nonconforming students have the right to discuss and express their gender identity openly and decide when, with whom, and how much to share with peers, staff, and also family. School staff will support in every way possible following the student’s lead. School counselors are here to support students regarding gender identity and gender expression.
- Students have the right to dress according to their gender identity and expression, within the dress code.
- Student IDs will be issued in the preferred name of the student.
- Transgender students can participate in physical education and sports according to their gender identity; participation in contact sports will be determined individually.
- Transgender students have the right to use the restrooms and locker rooms that are in line with their gender identity, or they can be provided with alternative arrangements to the best of the school’s ability and according to their comfort level.
- In any other circumstances where students are separated by gender in school activities (i.e. overnight field trips), students can participate according to their gender identity. If there is a privacy concern, alternative accommodations will be provided to the best of the school’s ability.

If you have additional questions, please contact Anton Pena, Director of School Operations, apena4@charter.newvisions.org, (718) 817-7683.

Shared Space

AMS is fortunate to share space at the John F. Kennedy Campus with Bronx Theatre High School, Bronx School of Law and Finance, Marble Hill School for International Studies, Bronx Engineering and Technology Academy, English Language Learners and International Support and Preparatory Academy, and New Visions Charter High School for the Humanities. AMS shared-spaces include:

- Auditorium
- Cafeteria (3rd & 5th floors)
- Gymnasiums
- Health Clinic
- Library
- Town Halls

In order to be thoughtful and respectful learners, students should speak in low voices and be respectful to all students and school staff while traveling in the building. Although there are many schools located in our building, we are all one school community. As Northwest Bronx community members, AMS students must set a positive example in the neighborhood when traveling to and from school. Students are consistently in the public eye and citizens are fully aware they are a student of AMS; therefore, students are expected to behave in a manner that is reflective of AMS. This behavior includes observations of all laws, respect for the property of others, and showing courtesy and respect for others. By walking on the sidewalk, properly throwing away their garbage in trash cans, avoiding inappropriate language and hand gestures, and treating all John F. Kennedy campus staff and community members with respect, all students and staff at AMS can be role models to others, and uphold the values of our school and community.
Please note that our school is ADA compliant and handicap accessible, as well as all of our classrooms. Access to a ramp and elevator is available.

Lost or Stolen Items

AMS is not responsible for any lost or stolen items. We strongly discourage students from bringing any valuable items (jewelry, electronic devices, expensive outerwear, etc.) to school. If a theft takes place on school grounds, AMS will follow the standard procedures for student behavior that violates the Code of Conduct and the staff will conduct a thorough investigation. However, the investigation does not include any procedures for recovering or replacing stolen items.

Extracurricular Activities

Clubs

AMS offers a wide variety of club opportunities. Clubs will be advertised during September with the first day of clubs starting the first week of October. Clubs run once a week from 3:30 p.m. - 4:15 p.m. on Monday, Wednesday, or Thursday (depending on the club).

Field Trips

Throughout the school year students have the opportunity to go on a variety of school-sponsored trips. Students will have the opportunity to go on college trips, art-based trips through our partnership with Lincoln Center Education, and one cohort-based trip in October. Students must submit a signed permission slip by the due date in order to participate in the field trip.

Athletic Teams

AMS students participate in athletic programs through the Public Schools Athletic League (PSAL). Competitions are held at the John F. Kennedy Campus, and other participating school sites throughout New York City. Our campus offers a wide variety of sports and teams compete according to season.

VIII. Academics

New Visions Charter High Schools are designed to help students accelerate towards meeting diploma requirements at their individual skill level and at a developmentally appropriate pace. We use a trimester system, meaning we have three terms within a school year, along with an extended school day to increase the opportunity for students to gain credits, prepare for Regents exams, and demonstrate mastery within their first years of high school. This design frees time at the end of high school for a number of postsecondary opportunities, where students participate in career exploration opportunities and advanced courses to prepare for life, college, and a career.

All of our courses emphasize reading, writing, speaking and listening skills. All courses are challenge-based, meaning students seek answers to important questions and apply what they learn to real-life situations. In every class, students will ask questions, conduct research, produce original work, and defend their work in public presentations.

Advanced Placement (AP) Courses

AP courses are college-level courses designed to prepare students for the rigors of postsecondary studies. Colleges may offer credits to students who successfully complete AP courses and perform well in the culminating exam. AMS Students have the opportunity to take AP coursework in their junior and senior years. We currently offer the following AP courses:

- AP Art and Design (2-D)
- AP Biology
- AP Calculus
- AP Computer Science
- AP Literature
- AP Statistics
- AP US History

Progressing towards Graduation

The AMS four-year program is designed to provide the academic foundation, lifelong learning habits and critical thinking skills required for students to be successful in college. Students at AMS have opportunities to earn far more than the credits required by the state for high school graduation. We understand that students may need more time to be college-ready so we provide a longer school day that allows for more instructional time and more preparation. All courses are in session for at least 60 minutes, with dedicated time for targeted instruction and skill building. The academic day runs from 8:30 a.m. until 4:16 p.m. on Mondays, Wednesdays, and Thursdays and from 8:30 a.m. until 3:14 p.m. on Tuesdays and Fridays.

The school monitors every student’s course grades and standardized test results to ensure that students are progressing toward graduation. If needed and at designated times throughout the year, additional support is provided during after-school enrichment classes and/or on Saturdays to accelerate students’ mastery of content so that they remain on-track toward graduation. Please review the AMS Four-Year Experience as an additional resource.
The table below outlines the minimum promotion criteria for grade level promotion. **Schools may require additional promotion criteria.**

<table>
<thead>
<tr>
<th>Promotion to Next Grade*</th>
<th>Coursework/Exams</th>
<th>Minimum Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>10</td>
<td>Successful completion of standards in academic subject areas</td>

<td>Successful completion of standards in academic subject areas</td>
<td>22 credits</td>
</tr>
<tr>
<td>12</td>
<td>Successful completion of standards in academic subject areas</td>
<td>33 credits</td>
</tr>
</tbody>
</table>

Schools should accurately reflect students’ progress toward graduation by adjusting their grade levels and identifying students’ promotion standing in February. *Students in 9th grade for the first time cannot be promoted early.

**Interdisciplinary Life Course**
The interdisciplinary life course is a mandatory 12th grade course. This course will focus on challenge-based learning experiences that connect math, science, history, and English in a way that connects to experiences connected to our lives in the world. The 12th grade senior project will be connected to this course and during trimesters 1 and 2, students will be able to build the necessary skills to be successful on their senior community-based project.

**Senior Project**
As part of the senior experience, seniors are required to complete a collaborative team-based community senior project. Connected to the Interdisciplinary Life Course, students are asked to incorporate academic and social-emotional lessons learned from their four years of studies to explore community areas of interest and build skills that students will be able to utilize during their postsecondary life.

**Students with Disabilities**
AMS is committed to providing students with disabilities with the special education services outlined in their Individual Educational Programs (IEPs). This includes, but is not limited to, providing students with integrated co-teaching, small classes to support foundational skills such as reading and math, and other related services. Please contact the school for more information on academic support services available for students with disabilities. Additionally, AMS partners with the Committee on Special Education (CSE) to contract related services such as speech therapists, occupational therapists, hearing providers and physical therapists. The related service staff typically come to the school to provide these services and in some cases, parents/guardians can contract these services independently with a provider.

If the family believes a student’s IEP should be revised and would like to update or revise these accommodations before the student’s IEP annual review meeting, please provide the request in writing to the school and the Committee on Special Education (CSE). Contact information for the Committee on Special Education for District 10 is as follows:
504 Accommodations

If a student does not have an IEP and a parent would like to request accommodations, the parent or student (if they are over the age of 18) can submit a request in writing to the school for accommodations. Requests must be submitted in writing to Anton Pena, apena4@charter.newvisions.org, the 504 Coordinator. A form for such a request may also be obtained from Mr. Pena.

Supporting documents from the student’s physician or other qualified health professional must be provided. If the coordinator has questions about the nature of the disability or the need for accommodations, parents/guardians are invited to a team review, which will include persons knowledgeable about the student, about the meaning of the information in the supporting evaluations or reports, and about the options for accommodation in the school.

Parents have the right to an impartial hearing review with respect to any decision of the review team that involves the identification, evaluation, or placement of a student with a disability.

Multilingual Learners

All students who are identified as English language learners are entitled to English as a New Language (ENL) services outlined by NYCRR Part 154 regulations. Students should be supported by an ENL licensed teacher in at least one co-taught content course providing English language instruction. Students may also be provided with an elective language development course to provide additional support. AMS looks at student performance on the NYSESLAT assessment of language proficiency, as well as literacy assessments, to identify what kinds of supports multilingual learners need. Specific supports for multilingual learners at AMS may include the following:

- Co-taught content courses with English as a New Language instructional support
- Standalone English language development elective

Graduation Requirements

Qualifying for a New Visions Charter High School diploma requires 44 total credits and 5 Regents exams passed at or above a score of 65. A course-specific breakdown of these 44 credits can be found in the table below. For a breakdown of all diploma options and requirements for local, Regents and Advanced Regents diplomas please refer to the following resource from the NYC Department of Education.
Education:

Contact the guidance counselor or assistant principal for additional information or clarification about graduation requirements and options for your student.

<table>
<thead>
<tr>
<th>Credits Total Required to Graduate: 44</th>
<th>Regents Exams Total Required to Graduate: 5</th>
</tr>
</thead>
<tbody>
<tr>
<td>6 Math Credits</td>
<td>1 Math Regents</td>
</tr>
<tr>
<td><em>Course Options: Algebra, Geometry, Trigonometry, Calculus</em></td>
<td></td>
</tr>
<tr>

</tr>
<tr>
<td>2 Art Credits</td>
<td></td>
</tr>
<tr>
<td>1 Health Credits</td>
<td></td>
</tr>
<tr>
<td>7 Electives Credits</td>
<td></td>
</tr>
</tbody>
</table>

*CDOS means Career Development and Occupational Studies
**Students with IEPs who are exempt from foreign language credits would then need to earn 9 elective credits

Grading Policy

Our Purpose:

- To develop a community that thinks critically about the world and themselves within it.
- To develop a community that collaborates in ways that allows them to tackle complex problems.
- To develop a community that believes that how we communicate is just as important as what we communicate.
- To develop a community where the 5 habits are ingrained in our daily interactions with all people and tasks.

Grading at AMS:
At AMS we believe that our grading structures must reflect our values system with respect to teaching and learning. Because of this, we have a balanced approach to grading such that students will receive feedback with respect to a few priority standards as well as traditional grades within their different courses (more specific details below).

 Standards Based Grading: We believe that giving students feedback on standards pushes teachers to be more specific with respect to the feedback they give students, which in return, helps students further develop the
specific capacity or skill. At AMS we will be focusing on a few priority standards for the 19-20 school year (see details below):

<table>
<thead>
<tr>
<th>Grade</th>
<th>LCE Standard</th>
<th>Discussion Standard</th>
<th>Writing*</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td><em>Analysis &amp; Evidence</em>: Thesis Statement/Claim, Explanation of Evidence, Use of Evidence in Writing.</td>
</tr>
<tr>
<td>10</td>
<td>Making Connections</td>
<td>Using Evidence &amp; Reasoning to support Claims</td>
<td><em>Sentence Structure &amp; Evidence</em>: Sentence Structure, Use of Evidence in Writing, Sourcing of Evidence.</td>
</tr>
<tr>

<td>Creating Meaning</td>
<td>Using Evidence &amp; Reasoning to support Claims</td>
<td>N/A</td>
</tr>
<tr>
<td>12</td>
<td>Creating Meaning</td>
<td>Using Evidence &amp; Reasoning to support Claims</td>
<td>N/A</td>
</tr>
</tbody>
</table>

*Writing standards will be assessed in ELA and Social Studies classes both in the fall and spring of each year.

**Rubrics/Tools for Assessing the Different Standards:**
- LCE and Discussion Skill Standards Rubric
- Writing Standards Rubric Grade 9
- Writing Standards Rubric Grade 10

**Timeline for Implementing & Assessing Aligned Tasks:**
- LCE & Discussion Skills Timeline (tri-1 only).
- For tri-2 and 3, please see Master Calendar
- On Demand Writing Timeline - page 3.

**Traditional Grading:** Below you will find some key thoughts on categories and weights for gradebooks that connect to our values and language we use at AMS. You will also find specific policies around lowest grade allowed, late assignments, plagiarism/cheating, and cutting (being absent during) an assessment.

**Example**

<table>
<thead>
<tr>
<th>Category</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Attendance*</td>
<td>10%</td>
</tr>
<tr>
<td>Engagement*</td>
<td>20%</td>
</tr>
<tr>
<td>Unit Applications (Collaborative)</td>
<td>20%</td>
</tr>
<tr>
<td>Unit Tests (Individual)</td>
<td>25%</td>
</tr>
<tr>
<td>Trimester Challenge</td>
<td>15%</td>
</tr>
<tr>
<td>Trimester Final Exam (Individual)</td>
<td>10%</td>
</tr>
</tbody>
</table>

*These are categories that must be consistent across all classes.
Lowest Grade: 45%
- The lowest grade a student can receive on an assignment is a 45% (plagiarism only exception).
- Please note that for every 45% a student receives they must receive an 85% in order to receive a passing grade of 65%. I mention this to make it clear that it is very difficult to pass if a student receives a 45% at any point.

Plagiarism: 35%, with opportunity to redo the assignment.
- We ask teachers to input two grades for students who have plagiarized. One grade = 35% and the second grade is based on the quality of the new assignment, if submitted.

Cutting an assessment: 45%, with the opportunity to redo the assessment
- We ask teachers to input two grades for students who have cut an assessment. One grade = 45% and the second grade is based on the quality of the student's assessment, if re-taken.
- The student must make up the assessment within one week of the original assessment, otherwise the grade stands as a 45%.

Late Work: 10% off per week
- We ask teachers to input two grades for students who hand in major assignments late. One grade = the earned grade and the second grade is based on how late the assignment was handed in, with the lowest possible score being a 45%.

Cutting an assessment: 45% with the opportunity to redo the assessment
- We are asking teachers to input two grades for students who have cut an assessment. One grade = 45% and the second grade is based on the quality of the student’s assessment.
- The student must make up the assessment within 1 week of the original assessment otherwise the grade stands as a 45%.

Late Work: 10% off per week
- We are asking teachers to input two grades for students who hand in major assignments late. One grade = the earned grade and the second grade is based on how late the assignment was handed in, with the lowest possible score being a 45%.

See the table (right) for the grading scale used at all New Visions Charter High Schools.

College and Career and Postsecondary Readiness

Our goal is for all students to graduate high school with a postsecondary plan that includes best fit education, training or employment and the skills and experience to succeed in that plan.

A major component of college and career preparation involves academic readiness. First, we want to ensure that all students maintain at least an 80 GPA during their high school career, as a strong GPA will impact college admittance. The school expects all students to take advanced courses while in high school (including AP, College Now, and/or advanced Regents courses). Finally, all students should strive to achieve “proficiency” in both English and math, because doing so will prepare them for college and the workplace. Students can demonstrate proficiency by earning high scores on tests, such as the Regents, SAT, or ACT - see proficiency guidelines below.
• English (Reading and Writing)
  o NY State English Regents score of 75 or higher
  o SAT I Verbal score of 480 or higher, or SAT Critical Reading score of 480 or higher, or SAT EBRW score of 480 or higher
  o ACT English score of 20 or higher

• Mathematics
  o NY State Regents
    ■ Common Core Regents score of 70 or higher in Algebra I, or a score of 70 or higher in Geometry, or a score of 65 or higher in Algebra 2
    ■ Score of 80 or higher in Integrated Algebra or Geometry or Algebra 2/Trigonometry and successful completion of the Algebra 2/Trigonometry or higher-level course
    ■ Score of 75 or higher in Math A or Math B, or Sequential II or Sequential II
  o SAT Math score of 500 or higher
  o SAT Math section (exam date March 2016 and thereafter), score of 530 or higher
  o ACT Math score of 21 or higher

To graduate with the skills and experience to succeed after high school, we expect all students to participate in experiences, such as internships, service learning, community service, job shadowing, career exploration, and mentorships. These experiences help students develop knowledge of which career paths and college majors to pursue and build the persistence, communication and teamwork skills valued by colleges and employers.

IX. Code of Conduct

AMS is committed to providing a safe, inclusive, and productive environment for students and adults.

Our school believes that sticking to this expectation will help us achieve the mission of the school and ensure that there is a sense of respect and security throughout the school community. In support of this mission, our school has established and implemented procedures to provide a sense of safety, inclusivity, and productivity in the school environment.

AMS utilizes a Code of Conduct that is based on the New York City Department of Education’s Citywide Behavioral Expectations and incorporates many of its standards (hereafter “The Code of Conduct.”) The Code of Conduct, included in this handbook, prohibits behaviors that are inconsistent with the school’s goal of maintaining a sense of belonging and safety. The Code of Conduct explains the kind of supportive interventions a student may receive for specific kinds of behavior, as well as possible disciplinary responses. Behavior that is in violation of the Code of Conduct may result in an exclusion from social or afterschool activities, regular classroom instruction (suspension), or, under certain circumstances, permanent removal from school (expulsion).

Restorative Approach

Restorative Approach means that we believe that all the members of our community (staff, students, and families) have the ability to address and prevent misconduct and prevent potential harm by working collaboratively with each other. We are committed to addressing our challenges in thoughtful and
responsive ways by taking responsibility for our actions and developing solutions as a community. We believe all of our students belong here in our community and that each one deserves every opportunity to correct their mistakes and to grow from each challenge or conflict.

New Visions Code of Conduct

The Standards set forth in the Code of Conduct apply to behavior in school during school hours, before and after school, while on school property, while traveling during school activities, at all school-sponsored events, and other behavior that occurs off (including online behavior) when such behavior negatively affects the educational process or endangers the health, safety, or welfare of the school community.

4.2 Sexual Harassment/Suggestive Behavior

Making sexually suggestive comments, innuendoes, propositions or similar remarks, or engaging in nonverbal or physical conduct of a sexual nature (e.g., touching, patting, pinching, lewd or indecent public behavior, or sending or posting sexually suggestive messages or images). DOE – B34

4.3 Possession of Controlled Substances

Possessing controlled substances or prescription medications without appropriate authorization, illegal drugs, synthetic hallucinogens, drug paraphernalia, and/or alcohol. Drug paraphernalia includes, but is not limited to, electronic devices designed to deliver controlled substances or prescription medication, without appropriate authorization. DOE – B41

4.4 Falsely activating a Fire Alarm

Falsely activating a fire alarm or other disaster notice. DOE – B42

4.5 Theft without force or intimidation

Taking or attempting to take property belonging to a person or the school without using force or intimidating behavior. DOE – B44

4.6 Making a Bomb Threat

Making a bomb threat. Including but not limited to verbal or written threats including threats made on the internet. DOE – B43

4.7 Use of Controlled Substances

Using controlled substances or prescription medication without appropriate authorization, or

| the opportunity to present his/her case and be accompanied and represented by a parent and/or an advocate or counsel. If the student has an IEP, the principal will also refer the student to the Committee on Special Education (CSE) for a Manifestation Determination Review (MDR). |

| *** A student may not be expelled without a formal disciplinary hearing. The determination of the hearing officer will be reviewed on the record of the disciplinary hearing by the Superintendent. |

| Note: certain Category II weapons may have legitimate purposes, such as a box cutter or scissors. Before scheduling a suspension hearing for possession of an article listed as a Category II weapon for which a purpose other than infliction of harm exists, the principal may consider whether the object is in the student’s possession for legitimate reasons. A hearing officer may also consider whether there are mitigating factors when a student is found to have violated the Code of Conduct by possessing such object in the school setting. |
## WEAPONS

<table>
<thead>
<tr>
<th>Category I</th>
<th>Category II</th>
</tr>
</thead>
<tbody>
<tr>
<td>- Firearm, including pistol, starter gun, and handgun, silencers, electronic dart, shotgun, rifle, machine gun, or any weapon which will or is designed to or may readily be converted to expel a projectile by action of an explosive</td>
<td></td>
</tr>
<tr>
<td>- Stun gun/weapon</td>
<td></td>
</tr>
<tr>
<td>- Air gun, spring gun, or other instrument or weapon in which the propelling force is a spring or air, and any weapon in which any loaded or blank cartridge may be used (such as a BB gun or paintball gun)</td>
<td></td>
</tr>
<tr>
<td>- Switchblade knife, gravity knife, pilum ballistic knife and cane sword (a cane that conceals a knife or sword)</td>
<td></td>
</tr>
<tr>
<td>- Dagger, stiletto, dirk, razor blade, box cutter, case cutter, utility knife and all other knives</td>
<td></td>
</tr>
<tr>
<td>- Billy club, blackjack, bludgeon, chuka stick, and metal knuckles</td>
<td></td>
</tr>
<tr>
<td>- Slingshot (small, heavy weights attached to or propelled by a thong) and slingshot</td>
<td></td>

<td></td>
</tr>
</tbody>
</table>

* Before requesting a suspension for possession of an article listed in Category II for which a purpose other than infliction of physical harm exists, e.g., a nail file, the principal must consider whether there are mitigating factors present. In addition, the principal must consider whether an imitation gun is realistic looking by considering factors such as its color, size, shape, appearance and weight.

### What Happens When a Student Violates the Code of Conduct?

When the Code of Conduct is violated, those most directly affected by the incident can expect to have a restorative conversation that is aimed at achieving a resolution that will repair the harm done, as well as repair the relationships of those involved. When a student engages in behavior that violates the Code of Conduct or behaves in a way that disturbs the educational process or endangers others, the principal, assistant principal, and/or a dean will decide the level of violation and the appropriate support or intervention and possible disciplinary response to the incident. In some cases, the principal may make a referral to the Discipline Review Board.
Disciple Review Board

The Discipline Review Board is made up of teachers, students, and a member of the school counseling department. It focuses on addressing incidents that have impacted the school community. Over the course of the school year, the Discipline Review Board may meet to make recommendations for interventions to repair harm and restore relationships. These interventions may consist of restorative conferences, referrals to counseling or evaluation, community service, or exclusion from school events or extracurricular activities.

In addition, the Discipline Review Board may meet to discuss ways to recognize students and staff who have contributed positively to the school community by promoting a safe, inclusive, and productive environment.

Detention

Scholars may be assigned to detention at lunch, after school, or on a Saturday as a consequence of violating the Code of Conduct, for lateness, or for uniform violations. Students will be advised of the reason for the detention and given an opportunity to respond or explain. Parents/guardians will be notified in the event that their scholar receives a detention. Calls and emails will be sent to the contact information on record. Parents/Guardians are asked to remember to maintain current phone numbers and email addresses with the school.

Exclusion from Social/Extracurricular Activities

A student may be excluded from social or extracurricular activities for academic or behavioral reasons. A student who is suspended or otherwise disciplined for violating the Code of Conduct within 15 days of a field trip or social activity may not be permitted to participate in the trip or activity.

Other Disciplinary Responses

If the conduct of a student violates the Code of Conduct and significantly disrupts the academic process or creates risks for the student or others, the principal may initiate procedures for other kinds of disciplinary responses, including the following:

- In-School Suspension
- Out-of-School Suspension
- Long-term suspension (or Expulsion), in rare instances

Short-term Suspensions (10 days or less: In School or Out of School)

Our students are assured Due Process protections before any removal from school or from classes for disciplinary reasons. Before suspending a student, the principal will arrange for a preliminary investigation of reported misconduct and will notify the student of the allegations and provide the student with an opportunity to respond. The principal will also notify parents/guardians in writing and will arrange, upon request, an immediate informal conference at which time parents/guardians will have an opportunity to ask questions and present relevant, additional information or evidence. If the student's presence in school presents a continuing danger to persons or property or an ongoing threat of disruption to the academic process, the suspension will be out of school and will be effective immediately. Under some circumstances, the suspension will be served within the school setting. The principal may suspend a student for up to ten days.
A student serving an In-School Suspension gets a full day of instruction in an alternative location from their regular classes. A student serving an Out-of-School Suspension will receive a minimum of two hours of instruction each school day (ten hours per school week) during the period of suspension. When the suspension is complete, the school will provide students with a Reintegration Plan to facilitate the appropriate support services necessary for returning from suspension and to maximize their ability to meet the academic and social standards within the school community. These support services may include a referral for a functional behavioral assessment or a combination of social-emotional and academic services as best meets the needs of the individual student.

Alternative Instruction and Reintegration Plans

The school will provide alternate instruction so that the student is given the full opportunity to complete assignments, tests, and quizzes given on the days that the suspension is in effect along with direct instruction. Students removed from school for disciplinary reasons will be given all classroom assignments and an opportunity to make up tests missed during the period of suspension.

Students serving an In-School Suspension get a full day of instruction in an alternative location from their regular classes.

Students serving an Out-of-School Suspension will receive a minimum of two hours of instruction each school day (ten hours per school week) during the period of suspension. Arrangements for Alternative Instruction will be made on an individual basis and may include phone assistance, computer instruction, and/or home visits. One-on-one or small group tutoring may be arranged within the school or at a specified location.

Reintegration Plans outline the positive contributions the student and staff will make in an effort to reintegrate the student into the school community. Students and their parent/guardian are invited to co-create this plan.

Long-term Suspensions (more than 10 days) and Expulsions

Before a student is excluded from school for more than ten days, the student will have an opportunity to present evidence on his or her own behalf at a formal disciplinary hearing before a hearing officer. The hearing officer will generally be an administrator from the New Visions network of schools or a staff member from another New Visions Charter High School who has not been involved in the conduct that is the subject of the hearing.

The student has the right to be represented by counsel or an advocate. The parent coordinator or dean can provide information about how to contact an advocate. After a hearing officer is appointed, a representative of the hearing officer will contact the parent/guardian to schedule the hearing and answer any questions about the hearing process. If the student has an IEP, the principal will also refer the student to the Committee on Special Education (CSE) for a Manifestation Determination Review (MDR). The purpose of the MDR is to determine whether the conduct that is the subject of the hearing is closely related to the student’s need for special education. More information about the MDR is provided below.

At the hearing, the school will present evidence and witnesses to support the charges that are being reviewed at the hearing and, if the charges are substantiated, will also make a recommendation with respect to consequences. The student will have the right to be accompanied and be represented by a parent and/or an advocate or counsel and will have the opportunity to present evidence and witnesses,
as well as to cross-examine any of the school’s witnesses. The hearing officer will first determine, based on the evidence presented, whether or not the student is guilty of the charges. If the student is found guilty, the hearing officer will have an opportunity to review the student’s academic and disciplinary record, and the parents/guardians and student will have an opportunity to present additional information which may be relevant to the disposition. The hearing officer will make a recommendation regarding the penalty.

If the behavior that is the subject of the disciplinary hearing was a Level 3, 4, or 5 violation, as categorized in the Code of Conduct, the hearing officer, following review of the student’s disciplinary record and after hearing any mitigating information presented by the student and parent, may recommend that the student be expelled. If, however, the hearing officer makes a penalty recommendation for expulsion, the decision of the hearing officer will automatically be referred for review to the Superintendent of New Visions Charter High Schools. The Superintendent will review the record of the hearing and will also provide the parent and student with an opportunity to present a written statement. If the outcome of the Superintendent’s determination is unsatisfactory, parents/guardians and students can appeal to the Board of Trustees, which will act as an appeals body in all cases in which expulsion is recommended. The determination of the Board of Trustees will be final.

Appeals to Suspensions and Expulsions
Any other determinations of the hearing officer can also be appealed by parents or guardians to the Superintendent or the Board of Trustees by using the Complaint Policy procedures described in this handbook and providing notice of the intent to appeal within two weeks of the hearing officer’s decision.

If a parent or guardian is not satisfied with the decision made by the Board of Trustees, a further complaint may be made to The State University of New York (SUNY), Charter Schools Institute's Grievance Desk, 41 State Street, Suite 700, Albany, New York 12207.

The Discipline Policy for Students with Disabilities
Students with disabilities have the same rights and responsibilities as other students and may receive consequences for the same misbehaviors. However, in addition to the procedural protections accorded all students in disciplinary matters, students with disabilities have additional protections guaranteed by federal and state laws.

Protections for Students with Individualized Education Programs (IEPs)
If a student with an IEP is charged with a violation of the Code of Conduct that may result in a long-term suspension (more than ten days) or a short-term suspension which brings the total number of suspension days for the student to more than ten during the school year, the school will refer the student to the Committee on Special Education (CSE) for a Manifestation Determination Review (MDR). The MDR will take place after the suspension hearing (if the student is found responsible for the conduct which is the subject of the hearing) or immediately after the tenth suspension day in a series of short term suspensions.

Protections for Children Not Yet Eligible for Special Education and Related Services
A student who does not have an IEP may claim any of the protections given under federal law to students with disabilities. The school will refer a student to the CSE for an MDR, if, before the behavior
that led to the disciplinary proceeding occurred, the parent of the student had requested that the student be evaluated or expressed concern about the student’s possible need for special education services, or if school officials had expressed concerns about the student’s pattern of behavior.

**Protections for Students Who Receive 504 Accommodations**

A student who receives 504 accommodations for an educational disability is also entitled to additional protections in disciplinary proceedings. The Section 504 Team within the school will review the student’s evaluations and Section 504 plan and will determine whether or not the conduct which is the subject of the disciplinary proceeding is a manifestation of the student’s disability.

**Consequences of Manifestation Determination Review**

If the CSE’s MDR Team or the school’s 504 Team finds that there is a connection between the student’s disability and the behavior that is the subject of the disciplinary proceedings the student will return to class. The school will refer students with a disability to the CSE for consideration of a Functional Behavioral Assessment (FBA) or a Behavioral Intervention Plan (BIP) if the student’s conduct is subject to disciplinary procedures and a determination has been made by the CSE that the conduct was a manifestation of the disability. Referrals may also be made for consideration of an FBA or BIP to address behavioral concerns.

*If, upon review, the CSE’s MDR team or the school’s Section 504 Team determines that the student’s conduct was not a result of his/her disability, then the student may be disciplined in the same manner as a student without a disability.* Parents may request an impartial review to challenge the CSE’s manifestation determination. The student will remain in his/her current educational placement while the hearing is pending except under the following circumstances:

- A student with an IEP may be removed from school for up to forty-five days, whether or not the conduct is a manifestation of the student’s disability, if a hearing officer finds that the student violated the Code of Conduct by bringing drugs or a weapon on to school property or by inflicting a serious bodily injury on another person. The student is then provided with educational services in an interim (temporary) alternative educational setting that is arranged in cooperation with the CSE.

- If a parent/guardian requests a hearing or an appeal to challenge the CSE’s recommendation for an interim alternative educational setting or its manifestation determination, the child remains in the temporary alternative educational setting until the decision has been made by an Impartial hearing officer appointed by the New York City Department of Education, or until the time period for the suspension expires, whichever happens first, unless the parent and school agree otherwise.

**Special Rules Relating to Dignity for All Students Act (DASA)**

**Policy on Bullying, Harassment and Discrimination**

The school is committed to creating and maintaining a safe and supportive environment. Acts of bullying and harassment which create a hostile school environment are prohibited in the Code of Conduct. Students who violate the Code of Conduct are subject to the disciplinary procedures described in this policy.

The school has, in addition, adopted special rules and procedures for responding to conduct that creates a hostile school environment. The goal of these additional procedures is to encourage a
climate of civility and to prevent future violations of our rules relating to bullying and discrimination. Additional Dignity for All Students Act (DASA) measures include the following:

- At the beginning of each school year we remind our students about the importance of respecting each other, being polite and maintaining a civil environment. We explain that bullying and harassment based on differences (including, but not limited to, differences in race, ethnicity, religion, gender, physical appearance and disabilities) are hurtful and can be considered "discrimination" under the law and our Code of Conduct.
- Students are reminded that harassment, bullying (including cyberbullying) and discrimination are violations of the Code of Conduct whether they occur on school property, traveling to and from school, at a bus stop used by students, at any school function, including any school-sponsored activity, or even away from school property. This includes the use of electronic or online communication (example: SnapChat, Instagram, Facebook, email, text message, etc.), also known as cyberbullying, to exchange words or pictures that have the effect of bullying or harassing a fellow scholar.
- The school annually appoints a Dignity Act Coordinator (DAC) who is trained to handle disputes between students or between students and school employees that involve race, color, weight, national origin, gender, disability and all of the other areas of difference that are covered in our Code of Conduct. The DAC’s name and contact information is communicated annually in this handbook. Students and parents/guardians are encouraged to contact the DAC to report instances of bullying or discrimination.

DAC Coordinator: Anton Pena  
Director of School Operations  
New Visions Charter High School for Advanced Math and Science  
99 Terrace View Avenue, Room 254  
apena4@charter.newvisions.org  
718-817-7683 ext. 2545

- School employees who witness harassment, bullying, discrimination or any conduct that would have the effect of ridiculing or demeaning another person will take prompt action to de-escalate the situation. They will also notify the principal orally of such acts within one day of their occurrence and file a written report summarizing what they have seen or has been reported.
- The principal shall arrange for a thorough investigation of any report of bullying, harassment or discrimination or any conduct that has the purpose or effect of ridiculing, humiliating, or demeaning another person. The DAC will complete the investigation and report to the principal.
- Upon receipt of a report of a material incident of harassment, bullying, and/or discrimination, the principal shall take prompt action to intervene, including the following:
  a. Initiate disciplinary proceedings, as above, and/or engage the student who has done the bullying in a reflective activity such as writing a statement about the misbehavior and how it might affect others.
  b. Provide supportive intervention and mediation to assist in conflict resolution.
  c. Assign an adult mentor to the student who has been bullied and to the student who was responsible for the conduct.
  d. Encourage class discussions or school-wide meetings to re-emphasize behavioral expectations.
  e. Refer students who have been victims of bullying to counseling within the school.
  f. Notify the parents/guardians of each student involved, ensuring confidentiality is maintained when discussing the incident.
• Retaliation against any student or staff member who reports or assists in the investigation of harassment, bullying or discrimination is strictly prohibited and will be subject to disciplinary measures.

Search and Seizure

School authorities have legal authority to search a student or the student’s desk, book bag, lockers, or cubbies when there is reasonable suspicion to believe that a student is in the possession of an item which is forbidden on school property or which may be used to disrupt or interfere with the education process; and the student does not voluntarily remove the objects upon request.

Searches are conducted under the authorization of the principal or someone appointed by the principal. Items which are prohibited on school property, or which may be used to disrupt or interfere with the educational process may be removed from students’ desks, book bag, lockers, cubbies, and from the student by school authorities.

Student Rights

The rules in the Code of Conduct apply to student behavior in school during school hours, but also before and after school while on school property, while traveling to and from school, during school activities, at all school-sponsored events, and behavior that occurs off school property (including online behavior) when such behavior negatively affects the educational process or endangers the health, safety, or welfare of the school community. In all instances, students have rights and due process protections in regards to their behaviors, some of these rights are summarized below.

Students have a right to:

• attend school and receive a free public school education until age 21 or receipt of a high school diploma, whichever comes first, as provided by law;
• students who have been determined to be English Language Learners are entitled to bilingual education or English as a second language program as provided by law;
• students with disabilities who have been determined to be in need of special education are entitled to a free appropriate public education until age 21, as provided by law;
• be in a safe and supportive learning environment, free from discrimination, harassment, bullying, and bigotry, and to file a complaint if they feel that they are subject to this behavior;
• receive courtesy and respect from others regardless of actual or perceived age, race, creed, color, gender, gender identity, gender expression, religion, national origin; citizenship/immigration status, weight, sexual orientation, physical and/or emotional condition, disability, marital status and political beliefs;
• receive a written copy of the school’s policies and procedures, including the Code of Conduct early in the school year or upon admission to the school during the school year;
• be counseled by staff in matters related to their behavior as it affects their education and welfare in the school;
• know possible dispositions and outcomes for violations of the Code of Conduct;
• due process with respect to disciplinary action for alleged violations of school regulations for which they may be suspended or removed from class by school staff; students with disabilities, 504 plans, or who are “presumed to have a disability” have the right to certain protections under IDEA;
• know the procedures for appealing the actions and decisions of school officials with respect to
their rights and responsibilities as set forth in this document;
● be accompanied by a parent and/or representative at conferences and hearings;
● the presence of school staff in situations where there may be police involvement;
● be secure in their persons and belongings and to carry in the school building personal possessions which are appropriate for use on the premises;
● be free from unreasonable or indiscriminate searches, including body searches;
● be free from corporal punishment and verbal abuse;
● organize, promote, and participate in student organizations, social and educational clubs or teams and political, religious, and philosophical groups consistent with the requirements of the Equal Access Act;
● receive written communication in the home language of the student and family; and
● confidentiality in the handling of student records maintained by the school system.

X. Student Services

Our school offers breakfast, lunch, and snack for any extended-day programs after 4:30 p.m. at no charge to families.

Lunch Forms

As part of school accountability, ALL parents/guardians are required to submit school lunch forms every year. Verification of school lunch forms also cover fee waivers for national college exams (SAT/ACT) as well as fee waivers for college applications, for eligible students.

When this form arrives home, please fill it out immediately and return it to the Main Office or complete the form online (click here for the online form) even if your child does not participate in the breakfast or lunch program. Please read the instructions carefully and call the school if you have any questions about the form.

Lunch Policy

Lunch takes place in the Cafeteria in the 3rd and 5th floor cafeterias. Students are expected to use the designated stairwell to travel to the cafeteria. Students are not allowed to leave the cafeteria or building during their assigned lunch period. Students may bring their lunch with them and eat it in the cafeteria, however, students will not have access to a refrigerator or microwave.

Transportation

AMS will provide a Student MetroCard to each student who is eligible based on the distance between the student’s residence and the school (at least a half mile). Not all students will qualify for a Student MetroCard. Student MetroCards will be distributed once in September and once in January. This card is the sole responsibility of the student to maintain. If this card is lost or stolen, it must be immediately reported to the Main Office.

Busing will only be provided for students who have busing mandated by their Individualized Education Plan (IEP).
XI. Health and Safety

Emergency Forms

Please complete and submit an updated emergency form with correct contact numbers and email address. **THIS INFORMATION IS USED TO CONFIRM AUTHORITY DURING EMERGENCIES; INFORMATION SHOULD BE CURRENT AT ALL TIMES.** Parents/guardians should inform us immediately if telephone numbers or other contact information on the student’s emergency form changes. The information on this form is vital for the safety and well being of your child.

Immunizations

New York State Public Health Law requires students to get certain vaccines in order to attend school, unless they are entitled to a medical exemption. Vaccines prevent you or your child from getting infections in school and from spreading diseases to other children.

For this reason, every student attending a New Visions Charter High School must be vaccinated unless they are entitled to a medical exemption. Please check the chart (to the right) according to you or your child’s grade level for required vaccinations.

</table>

The number of vaccine doses your child needs may vary based on age and previous vaccine doses received. Your child may need additional vaccines or vaccine doses if they have certain health conditions. Talk to your doctor if you have questions. For more information, call 211 or visit nyc.gov/health and search for student vaccines.

Medication

If your child takes prescription medication that must be given during the school day, the medication must be accompanied by a physician’s order and delivered by a parent or a legal guardian to the designated supervising adult in the original container dispensed by a registered pharmacy. Students may self medicate when there is physician and parent approval documented on the **Medication Administration Form** (MAF).

Parents are also asked to complete a **Medication Administration Form** (MAF) if they wish to authorize their child to self-administer over-the-counter medications, such as an allergy medication, during the school day. **Students should not carry more than the daily dose recommended by the student’s physician.** Sharing any medications with other students during the school day is strictly prohibited.

[Back to Table of Contents]
Medications in excess of the dose needed for the day will be confiscated. Medication to be taken on an "as needed" basis must remain in a properly labeled pharmacy container and in a locked medication cabinet in the possession of a supervising adult. Students must deliver such medication to this person at the start of the school day.

All self-medication must be supervised. Supervision will be arranged by the principal. If your child does not meet New York State Education Department standards for self-medication, arrangements will be made for administration of medication by an appropriately licensed professional. Those students requiring use of inhalers or Epinephrine (Epi-Pen) must make sure to clearly outline and authorize such use as outlined on the MAF. Each year, the MAF must be updated, signed by the parent/guardian and the student's medical provider, and filed in the student's health record at the school. Families can obtain the MAF from the Main Office or download it using this link.

Mental Health

If a school staff member becomes aware of any indication that a student is contemplating harm to themselves and/or suicide the school staff member shall immediately notify the school social worker and the school staff must notify the student's parent or guardian and request that the parent/guardian come to the school immediately for a conference. If appropriate, the student will be kept under adult supervision by at least one staff member until the parent/guardian is contacted. At the conference, school staff may encourage the family to agree on an intervention plan, which may include immediate emergency psychiatric screening. Emergency personnel (911) shall be called if deemed necessary or appropriate by the school in circumstances where the child’s health or safety is in danger. The parent/guardian may be required to notify the school of the results of the screening and provide written psychiatric medical clearance prior to the pupil's return to school. In the event a student is prepared to return to school, but does not yet have the required medical clearance, the school shall offer alternative instruction to the student pending receipt of such clearance.

Students with Medical/Mental Health Conditions Who Require Special Accommodations

Students with medical and/or mental health conditions who require special accommodations should have a 504 Form completed by their medical provider. Every year, this form needs to be updated by the child’s medical provider and placed on file at the school in the student’s health record. This ensures that it makes the appropriate adjustments necessary to obey all federal laws concerning the education of students with 504-related needs. Families can obtain more information about 504 Accommodations using this link.

Student Illness at School

If a student becomes ill during the day, the student should inform a teacher that they are not feeling well. If the staff determines that the student is too ill to remain in the class, the student is escorted to the school-based health clinic, and the parent is informed by clinic personnel or AMS staff. If a student is not seriously ill, the nurse will ask them to rest for a short time before returning to class. If a student is seriously ill or injured, the school-based health clinician or AMS staff will contact 911 and the parents/guardians. An AMS staff member will travel with the student and EMS in loco parentis until a parent/guardian arrives at the designated hospital. EMS will determine the hospital the child will be
Prevention of Child Abuse and Neglect

According to New York State Law, school officials and licensed or certified staff are mandated reporters of suspected child abuse or maltreatment. Reporting is required if the victim is under the age of 18, and the subject of the report is a parent or other person (18 or older) who is legally responsible for the child’s care. A mandated reporter, together with an assistant principal, will report such suspicion to the New York Statewide Central Register of Child Abuse and Maltreatment (SCR). The hotline number for making this report is 1-800-342-3720. Within 48 hours of the oral report, the school will file a written report on Form LDSS-2221A which can be obtained at www.ocfs.state.ny.us.

School staff members will also report any allegation of child abuse in the school setting to the principal, or, if the principal is not available, the assistant principal. The principal will promptly notify the students’ parent or guardian of the allegation; this notice will include a statement of their rights, responsibilities, and the procedures that will take place. Following an investigation, the principal, or designee, will notify, as appropriate, the NVCHS Superintendent, the charter authorizer, the Office of Special Investigations (OSI) of the New York City Department of Education and/or the Office of the Special Commissioner of Investigation (SCI) of the New York Police Department.

Allegations of corporal punishment, including verbal abuse of a student, by a staff member are reported to the principal and, following the investigation, to OSI (718-935-3800).

Emergency, Drills and Evacuations

In accordance with state and city regulations, AMS participates in regularly scheduled fire and evacuation drills. These drills are coordinated with The John F Kennedy High School Complex Schools. In case of a fire or other emergency that requires an evacuation, our primary evacuation site is nearby.

Every member of the staff is adequately trained and prepared to best handle emergency situations and to notify families.

XII. Rights and Responsibilities

Non-Discrimination

AMS does not discriminate on the basis of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, gender identity, gender expression, sex or age in its programs and activities. The following person has been designated to handle inquiries regarding the school’s non-discrimination policies:

Anton Pena
Director of School Operations and Coordinator for Section 504, Title II of the ADA and Title IX
New Visions Charter High School or Advanced Math and Science
99 Terrace View Avenue, Room 254
Bronx, NY 10463
Telephone Number: 718-817-7683, ext. 2545
E Mail: apena4@charter.newvisions.org

Back to Table of Contents
If a concern about discrimination cannot be resolved informally with the coordinator, any individual may submit a written complaint which is promptly investigated. The coordinator then prepares a report of his or her findings, and, if appropriate, remedial action is taken. An appeal to the coordinator’s report can be made to the Board of Trustees.

Education of Students in Temporary Housing (McKinney Vento Homes Education Assistance Act)

The McKinney-Vento Homeless Education Assistance Act is a federal law that protects the public education of young people who are temporarily without a fixed, regular, and adequate night-time residence. Students may become eligible for McKinney-Vento assistance if they or their family are sharing housing with other persons due to loss of their own housing, living in a publicly or privately operated shelter, or spending their nights in any place not ordinarily used as a regular sleeping place. McKinney-Vento assistance may enable eligible students to get the support services needed to participate fully in any school activities, including before and after-school activities, and even help in preparing for and applying to college.

A McKinney-Vento liaison has been appointed for your school. The liaison will help students establish eligibility and access services. Students and parents/guardians are encouraged to reach out with questions and requests for guidance.

Contact Anon Pena for additional information - 718-817-7683, ext. 2545 or apena4@charter.newvisions.org.

Supporting Immigrant Families

New Visions Charter Schools are committed to protecting the right of every student to attend public school, regardless of immigration status or national origin. The United States Supreme Court has also recognized the importance of public education for all students, including undocumented students. We want you to know that New Visions, in solidarity with the New City Department of Education (NYC DOE):

- Does not permit federal agents, including Immigration and Customs Enforcement (ICE), to enter schools, except when required by law;
- Does not track immigration status of students or family members, and will not release student information unless required to by law; and
- Will continue to ensure that all students get a quality education.
- Public schools are at the center of our democracy, and New Visions Charter Schools remain safe places for all students, families, and educators.

Confidentiality

AMS does not ask about or track the immigration status of students or family members. Our personnel will not keep any documentation related to immigration status that you may give them. Unless required by law, school staff will not share student information.
Language Access
To help you learn important information and communicate with your child's school, the DOE provides free translation services in Spanish, Chinese, Bengali, Arabic, Russian, Urdu, Haitian Creole, French, and Korean, as well as interpretation in over 200 languages.
- For additional information, visit the following link - https://www.schools.nyc.gov/school-life/support/in-your-language.

Safe Schools
To maintain a safe environment for all students, non-local law enforcement officers, including Immigration and Customs Enforcement (ICE) personnel, are not allowed to enter the school except when required by law, and only after the school has consulted with its lawyers.
- Learn about other ways we keep students safe.

Additional Resources
- Mayor's Office of Immigrant Affairs - Has information to help you know your rights. Call 311 or visit Know Your Rights: Federal Immigration Enforcement
- ActionNYC - ActionNYC is a program that offers free, safe immigration legal help from trusted community organizations in your language.
  - To make an appointment, call 800-354-0365 between 9AM and 6PM, Monday through Friday, or call 311 and say “ActionNYC.”
- ThriveNYC - If you're feeling anxious, stressed, or depressed, help is available. You are not alone. ThriveNYC will give you access to mental health support services in your language.
  - Call 888-NYC-WELL or text “WELL” to 65173.
- Consumer Protection Tips for Immigrants - The NYC Department of Consumer Affairs (DCA) created these tips to educate immigrants about their rights and where to turn for help.

Complaint Policy
Section 2855 (4) of the NYS Charter Schools Act provides that a parent or any other individual, entity or group may bring a complaint to the Superintendent alleging that a charter school has violated a term of its charter, the New York Charter Schools Act, or any other law relating to the management or operation of the charter school, to seek relief.

Nothing in the following procedure for addressing complaints precludes an individual or group from submitting a complaint directly to the Board of Trustees or directly to the school.

Complaints to the Superintendent or Board of Trustees should be in writing and should include a detailed statement of the complaint, including the names of the individuals involved and what provision of the school's charter or the law that you believe has been violated. The complaint should also state what response has been received from the school thus far and what specific action or relief the individual is seeking.

The complaint must also include the name, address and phone number of the complainant. The Superintendent and the Board of Trustees will take steps to investigate the complaint, will provide an opportunity for the complainant to address the Superintendent at a scheduled meeting, or address the Board at the next scheduled Board meeting, and will provide a response within thirty days of receiving the formal written complaint.
The school encourages parents or guardians to submit complaints that can be resolved at the school level directly to the principal. Upon receipt of the complaint, the principal will investigate the allegations and will respond in writing or in person within ten business days. If this does not resolve the complaint, the individual or group may submit the complaint, in writing, to the Superintendent.

Complaints to the principal may be delivered to the principal by mail or email to the following address:

Anton Pena  
Director of School Operations and Coordinator for Section 504, Title II of the ADA and Title IX  
New Visions Charter High School or Advanced Math and Science  
99 Terrace View Avenue, Room 254  
Bronx, NY 10463  
Telephone Number: 718-817-7683, ext. 2545  
E Mail: apena4@charter.newvisions.org

Complaints to the Superintendent may be delivered to the Superintendent by mail or email to the following address:

New Visions for Public Schools  
Attn: Superintendent of Charter Schools  
205 E. 42nd Street, 4th Fl  
New York, NY 10017  
Email: sallen@newvisions.org  
Phone: 212.645.5110

If the complainant believes that the Superintendent has not adequately addressed the complaint, the individual or group may present the complaint to the school’s Board of Trustees. Board of Trustees, which will act as an appeals body for any complaints that are not satisfactorily resolved by the Superintendent.

Complaints to the Board of Trustees should be addressed to:  
Board of Trustees  
The New Visions Charter High School for Advanced Math  
c/o New Visions for Public Schools  
205 E 42nd Street, 4th Floor  
New York, NY 10017

If the complainant believes that the Board of Trustees has not adequately addressed the complaint, the individual or group may present the complaint to the school’s charter authorizer.

Complaints should be addressed to:  
The State University of New York  
Charter Schools Institute’s Grievance Desk  
41 State Street, Suite 700  
Albany, New York 12207

The Charter Schools Institute will conduct an investigation of your grievance and issue any remedial orders on behalf of the State University Trustees. If you are not satisfied with the Charter Schools Institute’s response to your claim, you have the right to “appeal” to the Board of Regents.
The Board of Regents has delegated the authority to handle complaints concerning charter schools to the Commissioner of Education. Complaints must be in writing and must include the information which is required for a complaint to the Superintendent or the Board of Trustees. The Complaint should include a copy of the response that you received from the Superintendent, as well as the Board of Trustees and should state clearly what specific action or relief you are seeking. Mail the complaint to:

The Regents of the University of New York, Charter Schools Office  
NYS Education Department,  
89 Washington Avenue  
Albany, New York 12234

or send it by email to charterschools@mail.nysed.gov.

Withdrawal

AMS is a school of choice. As such, circumstances may arise in which a parent or guardian wishes to transfer their child to a different school. Parents/guardians may withdraw students by completing a discharge form. Contact the school’s Main Office for the form and discuss other education options for the student.

AMS will ensure the timely transfer of any necessary school records to the student’s new school. If a parent or guardian wishes to re-enroll a student in the school after they have transferred, the student must submit a new application, and will be placed on the school’s waitlist.

Access to Information

The Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that are recipients of Federal funds.

FERPA gives parents/guardians certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are “eligible students.”

- Parents/guardians or eligible students have the right to inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records. Schools may charge a fee for copies.
- Parents/guardians or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent/guardian or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent/guardian or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

Back to Table of Contents
- school officials with legitimate educational interest;
- other schools to which a student is transferring;
- specified officials for audit or evaluation purposes;
- appropriate parties in connection with financial aid to a student;
- organizations conducting certain studies for or on behalf of the school;
- accrediting organizations;
- to comply with a judicial order or lawfully issued subpoena;
- appropriate officials in cases of health and safety emergencies; and
- state and local authorities, within a juvenile justice system, pursuant to specific state law.

The school may disclose the following “directory information” without the prior written consent which is otherwise required for release of education records: **student’s name, participation in a school activity or on a sports team, honors and awards, and dates of attendance**, unless parents/guardians or eligible students advise the school in writing that they do not wish this information to be released.

In addition, federal law now requires schools to provide military recruiters, upon request, with three categories of directory information about high school juniors and seniors – names, addresses and telephone numbers. The school must provide this information.

You may request that directory information not be released either to military recruiters or for any purpose by notifying the school prior to October 1st. Notice should be provided in writing to Lilly Lopez, Assistant Principal of Special Education.

Complaints or questions with respect to the school’s FERPA Policy may be addressed to:

Family Policy Compliance Office
US Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-8520

**Freedom Of Information Law (FOIL) Policy And Procedures**

Upon request, AMS provides copies of information and records which are available for public inspection in accordance with **New York Freedom of Information Law (FOIL)**.

**Requests For Public Access To Records**

Student records are not available for inspection, except in accordance with the Family Education Rights and Privacy Act (FERPA) described above. All student records will be stored in a locked storage cabinet. Student health records and academic records will be kept in the Main Office accessible to appropriate staff who may only remove a file by signing the file in and out. Student IEPs will also be kept in a locked storage cabinet, accessible only to appropriate Special Education staff.

Requests for public information must be in writing and submitted to the school’s records access officer who is the business manager of the school. The records access officer will respond to all requests within five business days. The response will be in writing and will indicate either that the request is being granted or denied, or an approximate anticipated date when the request is granted or denied, which shall be reasonable under the circumstances of the request.

Every request for records that is received by any school employee must immediately be forwarded to the records access officer. School personnel other than the records access officer are not authorized
to respond to requests for records under FOIL, whether orally or in writing.

A request must reasonably describe each record being requested. Whenever possible, a person requesting records should provide information, including the date of the records, which will identify the records being requested.

**Denial Of Access To Record**

If the person requesting information is denied access to a record, he or she may, within 30 days, appeal such a denial to the principal or his or her designee. Upon timely receipt of such an appeal, the school will, within 10 business days of the receipt of the appeal, fully explain, in writing, the reasons for further denial or provide access to the record(s) sought.

The school will also advise the requester of the right to appeal. Any person denied access to a record may make an appeal in writing to the New Visions Charter High School for Advanced Math & Science Board of Trustees, with offices at the address below, within 30 days of receipt of denial of access.

**Board of Trustees**
The New Visions Charter High School for Advanced Math & Science  
205 East 42nd Street, 4th Floor  
New York, NY 10017

The school will also forward a copy of the appeal, as well as its ultimate determination, to the New York State Committee on Open Government. The Committee on Open Government, which is a division of the New York State Department of State, is located at 41 State Street, Albany, New York 12231.

**Required Records**
The school shall maintain the following records and information:

- A record of the final vote of each trustee in every proceeding in which the trustees vote;
- A record setting forth the name, public office address, title and salary of every officer or employee of the education corporation; and
- A reasonably detailed current list, by subject matter, of all records in the education corporation’s custody or possession.

**Location**

All FOIL requests should be sent to the Anton Pena, Director of School Operations, at the address below. Records are available for public inspection and copying at this address as well:

Anton Pena  
Director of School Operations  
New Visions Charter High School for Advanced Math & Science  
99 Terrace View Avenue  
Bronx, NY 10463  
E Mail: apena4@charter.newvisions.org

**Hours for Public Inspection**

Requests for public access to records shall be accepted and records produced during the school’s regular business hours, which are 8:30 a.m. until 4:30 p.m., Monday through Friday, excluding school and legal holidays.
Fees
No fee is charged for inspection of records, search for records, or any certification of records pursuant to FOIL. For requests involving 10 pages or more of records, a copying fee of 25 cents per photocopy page is charged.

Public Notice
A notice containing the name and address of the records access officer and the name and address of the records appeals officer, along with the location where records can be seen or copied, is posted in a conspicuous location where school records are stored.

Open Meetings Policy
All meetings of the Board of Trustees are open to the general public, except for items covered under executive session, as required by the Open Meetings Law. For the purposes of this policy, a "meeting" shall be understood as any scheduled or unscheduled gathering of the school's Board of Trustees to conduct school business at which a quorum of the Trustees shall be present. This also includes meetings of committees and subcommittees of the Board. Documents to be reviewed by the Board in open session will be available prior to the meeting on the school’s website.

Board Meeting Public Notice
The school will post a calendar with all Board meeting dates at the school at all times. Students and families can also access the board meeting calendar and minutes online at the following link - https://www.newvisions.org/pages/ams-hum-board-of-trustees.

For Board meetings scheduled at least one week in advance, the school shall publicize such meetings to the general public in the following manner:
- Provide notice of the time and place of the scheduled meeting to the news media.
- Post such notice in one or more public locations at least 72 hours in advance of the scheduled meeting.
- Advise the president of the school’s parent organization in order that he or she might disseminate the information as he or she sees fit.

Minutes Of Meetings
The Secretary of the Board, or his designee, shall take minutes at all open meetings and make them available to the public within two weeks of the meeting. Minutes shall include the date of the meeting, a summary of all motions, proposals, resolutions and any other matter formally voted upon as well as a record of how each Trustee voted. Minutes shall not include any matter not required to be disclosed to the general public. The minutes shall be available at the school and posted on the school’s website.

Executive Sessions
An executive session may be called via motion and majority vote by the Board. The motion must specifically identify the general area or areas of the subjects to be considered. All Board members may participate in executive sessions, and the Board may authorize others to attend as well. In no case shall public funds be appropriated during an executive session.

Executive sessions may only be held for:
- matters which imperil the public safety if disclosed;
- any matter which may disclose the identity of a law enforcement agent or informer;
- information relating to current or future investigation or prosecution of a criminal offense which would imperil effective law enforcement if disclosed;
● discussions regarding proposed, pending or current litigation;
● when such law applies to the school employees, collective negotiations that are within the scope of Article 14 of the Civil Service Law;
● the medical, financial, credit or employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation;
● the preparation, grading or administration of examinations; or
● the proposed acquisition, sale or lease of real property or the proposed acquisition of securities, or sale or exchange of securities held by such public body, but only when publicity would substantially affect the value.

Exceptions To The Open Meetings Law
The Board may conduct closed meetings for the following matters which are exempted from the Open Meetings Law:

● Judicial or quasi-judicial proceedings (such as student disciplinary appeals and employee grievance hearings).
● Any matter that is confidential under New York State Law or Federal law (such as the discussion of a student's individual handicapping conditions or academic records).

Acceptable Internet Use Policy

AMS believes that technology and the use of computers must be an integral part of students' high school education and is essential to prepare them for success in college and in the workplace. Our vision for technology includes building a learning environment where technology is integrated into every subject area in every classroom and all students have equitable access to computers. Infusing technology into the classroom environment, together with ongoing staff training, is critical in preparing students for the challenges awaiting them.

All school equipment is for school purposes only and not for personal use. School technology policy and procedures promote the responsibility and proper use of all technology equipment and computer labs.

AMS has, with minor modifications, adopted the Acceptable Internet Use Policy of the New York City Department of Education. The main components of the school's Acceptable Internet Use Policy are summarized below:

● The school will use technology protection measures to block or filter inappropriate material via Internet, electronic mail, or other forms of direct electronic communications.
● The school will take measures to block unauthorized access or detect unlawful activity which may include but is not limited to physical or technological measures.
● The school will prevent unauthorized online disclosure, use, or dissemination of personal identification information.
● The school will comply with the Children’s Internet Protection Act (CIPA).

Access to Inappropriate Material
Internet filters are used to block or filter access to inappropriate information on the Internet, or other forms of electronic communications. Specifically, visual depictions of material deemed obscene, child pornography, or any material deemed harmful to minors is blocked.
Inappropriate Network Usage
Steps are taken to promote the safety and security of users of our school’s online computer network when using electronic mail, chat rooms, instant messaging and other forms of direct electronic communications.

Prevention of inappropriate network usage includes:
- Unauthorized access, including ‘hacking’, and other unlawful activities.
- Unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

Supervision and Monitoring
Members of the school staff are responsible for supervising and monitoring usage of the online computer network and access to the Internet in accordance with this policy and the Children’s Internet Protection Act (CIPA).

Parental Notification and Responsibility
The school will provide students and parents/guardians with guidelines and instructions for student safety while using the Internet. The school’s Acceptable Internet Use Policy contains restrictions on accessing inappropriate material and explains that student use generally is supervised.

The school encourages parents or guardians to have conversations with their child(ren) about what material is and is not acceptable for their child(ren) to access through the school system.

General Principles of Access
The school provides access to the Internet, including access to email, for its employees, students, and guests. Guests include but are not limited to parents/guardians, substitute teachers, temporary employees, family volunteers, and other school volunteers. Internet access and the use of email through the use of the school’s system are limited to use for educational purposes. The term “educational purpose” includes use of the system by students and their parents/guardians for learning activities both in school and at home, employee professional or career development, communication between teachers, students, and their parents/guardians and the facilitation of information-sharing between teachers and administrators throughout the New Visions Charter High School network. If any user has a question about whether proposed Internet use is consistent with the school’s educational purpose, goals, and mission, they should consult with the appropriate supervisor, principal, teacher, etc.

This Acceptable Internet Use Policy governs all electronic activity, including email and access to the Internet, which is undertaken by New Visions employees, school employees, students, and parents/guardians either in their official capacity or as part of the educational, instructional or extracurricular programs connected to the school. No employee, student, or parent/guardian may engage in activities prohibited by this policy, whether through the school’s Internet service or through another Internet service provider, when those activities are undertaken either in their official capacity or as part of the educational, instructional, or extracurricular programs of the school.

As with other curricular offerings and tools, parents/guardians do not have a general right to opt their child out of classroom use of the Internet. However, as set forth more fully below, parental consent is required with respect to certain aspects of Internet use (e.g., posting a child's photograph on a school web page). Parental consent is obtained at the time a student registers in the school. Parents, moreover, are strongly encouraged to discuss and monitor their child’s school Internet use.

Student access to the Internet is regulated by this policy, related regulations, and the Code of Conduct.
Employee use is regulated by this policy, related regulations, and employment policy. All use is in compliance with the acceptable use provisions of the Internet service provider.

The school reserves the right to terminate any user's access to the Internet, including access to e-mail, at any time and for any reason. The school reserves the right to monitor all Internet access, including all e-mail, through the use of the school's system. The school specifically reserves the right to revoke access and/or take other appropriate disciplinary action, with respect to any user who violates this policy.

**System Responsibilities**

The principal, or his/her designee, serves as the coordinator to oversee Internet access via use of school systems. The principal, or his/her designee, is responsible for the dissemination of this Acceptable Internet Use Policy and works with school staff to enforce this policy.

In accordance with the Policy, the school’s technology liaison is the building-level coordinator for the Internet and email system. Users may contact the school’s technology liaison with questions or comments about the Acceptable Internet Use Policy by sending an email to the school’s service desk system - amstech@charter.newvisions.org. The building-level coordinator approves building-level activities, ensures teachers receive proper training in the use of the system and of this policy, establishes a system to ensure adequate supervision of students using the system, maintains executed user agreements if applicable and is responsible for interpreting the Acceptable Internet Use Policy at the building level. Although this Acceptable Internet Use Policy does not require execution of user agreements by students or employees, the school may institute such a school-based requirement.

As set forth in more detail below, the Internet is equipped with Internet filtering software. The school’s technology liaison coordinates any modifications to the Internet filtering software or any defiltering of software and will be responsible for assuring that filters are restored when the modification or de-filtering is no longer appropriate.

AMS reserves the right to revise this Acceptable Internet Use Policy as it deems necessary and will post the current policy on its web site to notify users of any revisions. Users are responsible for reading the policy regularly.

Students who require technical assistance with Internet access or email should inform their teachers and other school staff, and they should inform the technology liaison by email amstech@charter.newvisions.org.

**Limitation of Liability**

The school makes no warranties of any kind, either expressed or implied, that the functions or the services provided by or through the system are error-free or without defect. The school is not responsible for any damage users may suffer, including but not limited to, loss of data or interruptions of service. The school is not responsible for the accuracy or quality of the information obtained through or stored on the system. The school is not responsible for financial obligations arising from a user’s unauthorized use of the system.

Users will indemnify and hold the school harmless from any losses sustained by the school, as a result of any misuse of the system by user.

**Filtering**

The school has installed Internet filtering software in an attempt to block user access to inappropriate and/or harmful content on the Internet. The software works by scanning web site addresses, website
content, email and other documents for objectionable words or concepts. Objectionable words and concepts are pre-determined by the school. When the software finds any such objectionable words or concepts, it denies the user access to them. Generally, levels of access go from the least restrictive level, which allows users access to the website or document that contains the word or concept, to the most restrictive level, which denies users access to the website or document that contains the word or concept. The school’s technology liaison can be called on to offer assistance when filtering technology interferes with legitimate educational research.

The school has established a process for modifying the filter or for de-filtering Internet access for students when it is educationally appropriate. The school’s technology liaison will review requests for modification of the filter. Where questions remain about whether the modification is needed or appropriate the principal shall make the final decision. In certain instances, the question will be brought to the New Visions Charter Management Organization's Superintendent or the Board of Trustees. All determinations made at the school level may be reviewed by the Superintendent or the Board of Trustees. The filter is set at a level restricting access to Internet sites that may contain information, including but not limited to, crime, violence, sex acts, sex attire, sex/nudity, sex/personal, basic sex education, advanced sex education, sexuality, and sports.

Regulations of Access

Review of Access Privileges
The school will cooperate fully with local, state, or federal officials in any lawful investigation concerning or relating to any illegal activities conducted through the system.

The school may revoke Internet access at its sole discretion. If a student's access is revoked, the school will ensure that the student nonetheless continues to have a meaningful opportunity to participate in the educational program.

The Code of Conduct specifically prohibits any violation of the school's Acceptable Internet Use Policy and specifically prohibits the use of the Internet or social networking sites to bully or harass other students. Students should refer to the Code of Conduct for specific consequences of such code violations. The Discipline Review Board will work with students who are subject to disciplinary procedures for any violation of the Acceptable Internet Use Policy to gain the self-discipline necessary to behave appropriately on an Internet network. If the alleged violation also involves a violation of other provisions of the Code of Conduct, the violation is handled in accordance with the applicable provision of the code. Employee violations of the school Acceptable Internet Use Policy are handled by appropriate discipline.

Privacy
The school takes all steps necessary to minimize the risk of unauthorized disclosure of student record information or other personal information about students. All electronic systems containing student record information require passwords for access and the school has established a system of permissions that limits access of information to authorized users who have a legitimate educational reason for the information.

At the time of student registration, parents or guardians will be provided with a consent form in order to give the school permission to use photographs of the student or student artwork or to use quotes, movies or video tapes of the student on its website, in connection with stage productions, athletic events, honors and awards, etc. Parents or guardians must provide consent in order for this information
As part of the school’s obligation to maintain the privacy of students and teachers, the school reserves the right to use "cookies" on its site. Cookies allow the school, among other things, to verify sites that a user has visited and information about the user's activities while online.

Except as otherwise provided in this Acceptable Internet Use Policy, the school will not use cookies to gather personally identifiable information about any of its users. Personal identifying information includes, but is not limited to, names, home addresses, email addresses and telephone numbers.

As required by the Children's Internet Protection Act (CIPA), the school will monitor students' online activities. Such monitoring may lead to discovery that the user has violated or may be violating, the school Acceptable Internet Use Policy, the Code of Conduct, or the law. The school also reserves the right to monitor other users (e.g., non students) online activities.

Users should be aware that their personal files may be reviewed by the school and may be discoverable in court and administrative proceedings and in accordance with public records laws. System users have no expectation of privacy in the contents of their personal files and records of their online activity while on the school system.

Selection of Material
When using the Internet for class activities, teachers, or staff at AMS must take steps to:

- Select material that is appropriate in light of the age of the students and that is relevant to the course objectives.
- Preview the materials and sites they require students to access to determine the appropriateness of the material contained on or accessed through the site.
- Provide guidelines and lists of resources to assist their students in channeling their research activities effectively and properly.
- Assist their students in developing the skills to ascertain the truthfulness of information, distinguish fact from opinion, and engage in discussions about controversial issues while demonstrating tolerance and respect for those who hold divergent views.
